

# Our Service is Our Strength

**The Argus Group has a team of dedicated professionals to take care of you when you need it most.**

Our First Class Concierge Service assigns a registered nurse to manage your medical case and help you with:

- Travel arrangements
- Hotel reservations
- Coordination of hospital appointments
- Management of emergency overseas care when required
- Liaising with your doctor while you are overseas
- Keeping family members informed of your progress
- Explanation of treatments every step of the way
